

Trade in Your Cash *Shop with SCRIP!*

“Scrip” is another word for gift certificates or gift cards. And it’s a great way to earn funds for our band program. By purchasing scrip and then using it on the things you buy every day, you can help the Band program at the same time! When you buy Scrip, the percentage in the parentheses is the amount that each merchant allows us to keep.

For example: When you purchase \$100 of Safeway Scrip, you pay \$100 for a \$100 Safeway gift card. The Band Boosters are able to purchase this card for \$96 and keep the remaining \$4 as profit. You use the card for your regular Safeway shopping and any remaining balance stays on the card for your next purchase.

Need to fill up your car with gas? A few of the scrip options for fuel are Arco, Shell and Fred Meyer. Doing a home remodeling project? Home Depot and Lowe’s have scrip available. Going out to eat? There is scrip for popular national restaurants such as Outback, Olive Garden and Red Lobster and lots of options for fast food eateries, too.

The order form on the opposite side lists several popular scrip products but it’s not the entire list! See an extensive list of all the products available at www.glscrip.com and click on “Order Scrip” to find a searchable list.

How can I purchase scrip?

Fill out your order form and leave it with your payment in the box in the band room. Order forms are available in by the box, on the band website and will be sent out from time to time with the band e-newsletter. Simply fill it out and drop it in the box with payment at any time. Check the scrip calendar for order deadlines and delivery dates.

Indicate on your order form if you would like the scrip sent home with your student or if you would like to pick it up from the band room.

As a general rule, we will order the 1st and 3rd Mondays of the month so your order will need to be at the school on the Friday before that. During the months of November and December we will order more often for your gift giving needs!
